

Essentially Yours

Doctor-developed skincare brand Essentially Yours has launched a new line, Therapeutics, for clients with specific skin complaints. There is a separate line for rosacea, one for acneic skins and one for those suffering with psoriasis and eczema, including moisturisers and skin washes. Products use organic and natural formulas to avoid aggravating skin conditions.

Trade prices range from £4 for Sensitive Skin Handwash to £24.98 for Full Rosacea Kit. Call Essentially Yours on 01299 253994
